

Join us for the Exceptional Educator Reception to Benefit Jaime Escalante

Sierra Nevada Journeys invites you to join us March 16, 2010, to recognize Exceptional Educators in our community

Jaime Escalante, the Los Angeles math teacher who was the subject of the famous movie “Stand and Deliver,” used innovative teaching methods to inspire students to want to learn. Sierra Nevada Journeys wants to honor local teachers who have likewise inspired and empowered their students.

Escalante was diagnosed with cancer and is receiving treatment in Reno. Funds raised at the reception will go toward his medical expenses.
