

Name: _____ #: _____

Watershed Build Your Own Watershed

Estimated Time: 15-20 minutes

Age range: 5th grade

What you need: a pencil, this page or a blank page for drawing, coloring

Create your own watershed. Draw and label/describe a watershed. Don't forget to add any high points and low points and show or explain how the water moves in your watershed.

A large, empty rounded rectangular box with a thin black border, intended for drawing a watershed. The corners are smoothly rounded.Five horizontal lines spaced evenly down the page, intended for writing a description or labels for the watershed drawing.
